WHAT'S HAPPENING WITH OUR 10-13'S

Welcome to the first edition of **Y Zone news**, just one way of communicating with you on the happenings of this exciting group. We have quite a few

things planned this year with them, please see the box on the left for details to date. Perhaps worth noting at this stage

is that our main objective is to develop and encourage these young people as they enter a very important time in their lives. As we are now in the

time of Lent we will be following a 4 week course looking at communion and what it means as an individual, partaking in the Lord's Supper

on week 4. Later in the year we will be exploring relationships and everything that this involves. If you have any

concerns on these subjects or would like to chat about anything please see myself or Lesley Pickering.

Faith (mustard seed or larger)
A heart for everyone (open)
Lashings of the Holy Spirit
Large portions of attitude
